Swimming– Block #5
6-1/2"□

*Number of squares to cut.

Note 1 Cut once on diagonal to produce 2 triangles.

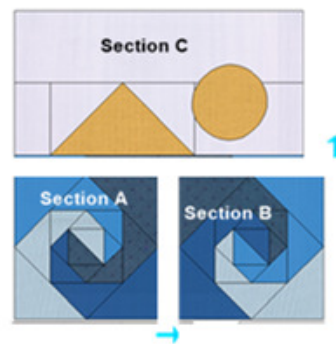

Note 2 Cut once on diagonal to produce 2 triangles. Without moving the pieces, cut on the opposite diagonal

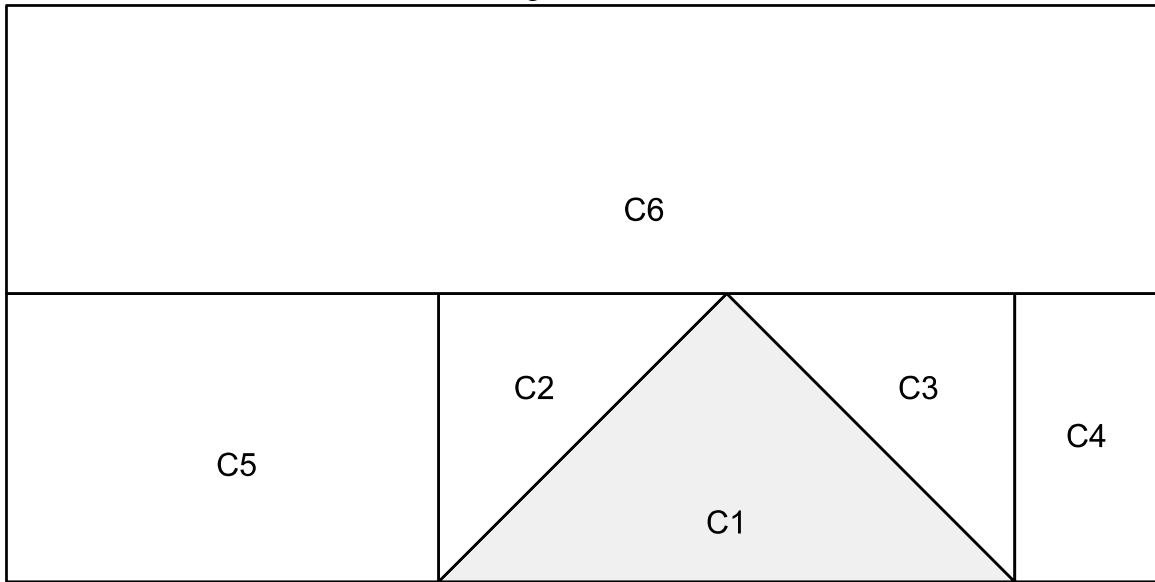

The cutting charts provide dimensions for **oversized** pieces that will cover the foundation patch. Make sure to label all the pieces -- as it is very easy to mix them up.

Paper piece the block. Combine the sections per the diagram.

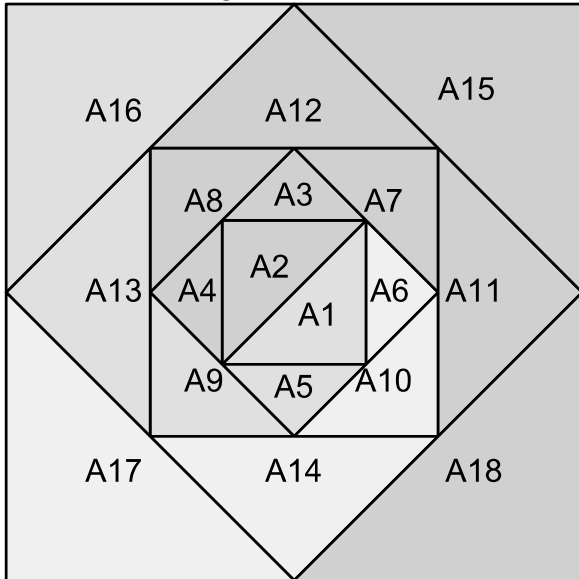

Applique head on pieced block.
