

Through teaching Electric Quilt classes both in person and online, along with managing the Learning EQ Facebook group, I've collected a list of the most common questions from beginners to Electric Quilt 8 (along with those that have been using the software for a while).

I am excited to share their questions along with my responses.

Click on the tip to access the video.

[Tip #1 How do I see more fabrics when coloring a quilt?](#)

[Tip #2 How do I rotate fabric in a block?](#)

[Tip #3 How do I reuse a fabric collection from one project to another project?](#)

[Tip #4 How can I find my block in the Block Palette?](#)

[Tip #5 How do I magnify a work area in Electric Quilt?](#)

[Tip #6 How do I add a plain block to a quilt?](#)

[Tip #7 How do I save my work?](#)

[Tip #8 How do I get started tracing a photo?](#)

[Tip #9 How do I print out instructions for my quilt?](#)

[Tip #10 How do I change the size of a block?](#)

[Tip #11 Do I add seam allowances when designing a block?](#)

[Tip #12 How do I correct a mistake?](#)

Enjoy the videos!
